

Young Onset Dementia Guidance, Support, Peer Group

Link up with people who have lived experience in
Younger Onset Dementia (YOD):

Share the impact of the diagnosis on you or your
family member or friend.

Talk about understanding the clinical aspects or
navigating service supports and the NDIS.....

And anything else that comes up.

- chat •listen •ask questions
- seek advice •share information

Talk with carers of people with Young Onset
Dementia

**Engaging people with lived
experience:**
